

**1/10<sup>th</sup> Scale Fall Regional**  
**Twin Lakes –Marysville, WA**  
**Sunday, October 18th**

**7am** Set-up begins- Please come and help out if you can.

**Approx. 8am-10:30** Registration and testing (\*\*If you have preregistered by email to [Jeff Campbell](#), you need only check in with proof of NAMBA Membership). All participants must report their boat name and year, names of the drivers with proof of driver's NAMBA membership or signed waiver, radio frequency (or Spektrum etc) to the registrar prior to testing or racing. Those who are not registered will not be drawn into heats. Please notify the registrar of any changes in driver or if the boat is being withdrawn for the remainder of the day.

**10:30** drivers meeting: All drivers must attend this meeting. Clarifications of race procedures and other pertinent information will be provided.

**11:00** approximate start time for Heat 1a of the modern class. Vintage class flights will immediately follow the conclusion of modern flights. There will be **three** flights of preliminary heats followed by at least one first consolation heat for each class. A final heat for each class will follow the consolation heats. One boat from each first consolation heat will advance to their respective final heat as a trailer boat. The second place boat in each first consolation heat will be the alternate in the final.

(Depending on the number of registered boats attending, there is an option for a second consolation heat. If applicable, the winner of the second consolation heat will advance to the first consolation heat as a trailer.)

**An award ceremony** will commence immediately after the conclusion of the final heat of the vintage class. We ask that all participants attend if at all possible.

**Note:** The top two finishers in consolation heats and the top three finishers in final heats will undergo technical inspection before results of those heats are made final.

### **Pre-Registration**

**\*\*If you have not been input into the race computer at an ERCU event in 2009, please try and preregister by email as it will save data entry time and confusion on race day. Email [Jeff Campbell \(jcamp50291@aol.com\)](#) with your boat's name and year, drivers name, radio frequency and NAMBA number from your 2009 membership card. Please remember to bring the card with you to the race as verification, thanks.**
